

# Service Above Self College Scholarship Application

## How to Qualify

The Thursday Rotary Club of Hickory **Service Above Self (SAS) College Scholarship** is designed to recognize and reward both your scholarship and the service that you have contributed to your school and community.

The scholarship awards up to one **\$12,000** scholarship to a Hickory High School senior to be used over four years of college. To qualify for a **SAS Scholarship**, you are required to:

- demonstrate consistent service to others;
- lead by example;
- show a record of good grades;
- be in the top 20 percent of your Hickory High School senior class at time of application; and,
- exhibit financial need.

During scholarship interviews, you will be evaluated on traditional scholarship standards such as grades, overall grade point average and class rank. **What sets the SAS College Scholarship apart from many others is that you must clearly demonstrate how you serve your school and community.**
